

Both Cubs and Yankees Hope to Get Magee, Star Second Baseman---Yale Victor

TINKER HAS 50 MEN, BUT WANTS MAGEE

Pilot of Cubs-Whales Combination Has Talk in Hospital With Weegman.

SEEKS A PITCHER ALSO

CHICAGO, Ill., Dec. 24.—The deal for the Cubs will be closed January 6, Charles H. Weegman received a telegram today from Charles P. Taft stating that it would be unnecessary for the new Chicago owner to make the trip to Texas, where Mr. Taft is spending the holidays, to complete the negotiations, and intimating that Taft would return to Cincinnati the first week in the new year.

"There is just a possibility that I might run down to Texas Sunday, but I hardly think it is necessary," said Weegman tonight.

Popped up with pillows in bed at the Hennett Hospital, recovering from an operation, Joe Tinker, who will pilot the amalgamated Cubs and Whales, held a long conference with Weegman this morning. The consolidation of the two teams gives Tinker more than fifty players, but of these less than twenty-five are under contract.

Tinker urged Weegman to make every effort to get Lee Magee from the Brooklyn roster and place him on second base. Tinker also is after another outside player. He is a Fed pitcher who gave the Whales considerable trouble in every game he played and Tinker is determined to land him. The lineup for the regular positions that Tinker will select will be something like this:

Pitchers—Brown, Hendrix, Vaughn, McConnell, Bailey, Lacy, and McGinnis. Catchers—Archer, Wilson, Fisher, and Sauer. Infielders—Sauer, first base; Zelder, second base; Doolan, shortstop; Zimmerman, third base; and Tinker, fourth base. Outfielders—Mann, Williams, and Schulte.

WANT MORAN-WILLARD BOUT.

Champion's Manager Advised to Sign Pittsburgher for Bout.

NEW ORLEANS, La., Dec. 24.—As the result of advice received, especially by the local press, that the fight between Champion Jess Willard and Fred Fulton, scheduled for March 4, local promoters of the fight announced tonight that Frank Moran, Pittsburgher, would be substituted for Fulton.

A telegram was sent by local promoters tonight to Tom Jones, manager of Willard, advising him to have Joe Curley of New York sign Moran for the match. It is believed here that a Willard and Fulton match would prove a failure from a box office standpoint.

OTHER CLUBS WON'T BID FOR MAGEE, SAYS HUSTON

Yankees Practically Certain to Get Star Second Baseman, Owner Asserts, as He Intimates That Moseley Sale Report Is Premature.

Baseball will simply have to mark time during the holidays. Nothing will be done in regard to the disposition of Federal League players until after the annual meeting of the National Commission in Cincinnati January 3. This time full details of the recent peace pact entered into by the Federal League and organized baseball will be announced. Those managers of organized baseball who returned yesterday from Cincinnati, including Capt. T. L. Huston of the Yankees, Harry H. Hempstead of the Giants and Charles H. Ebbets of the Dodgers, were of the opinion that the announcement of the sale of Pitches Earl Moseley to the Reds was somewhat premature. "I do not believe any sale has been concluded," said Capt. Huston, "and I am not sure until after the meeting of the commission meeting." The captain intimated that a gentleman's agreement existed which bound the owners of the Federal League to exercise patience until that time. Capt. Huston is very hopeful of securing the services of Lee Magee, for he has been practically assured that he will get Magee. He said the captain, "I am sure we shall land him if those in control of the consolidated clubs in St. Louis and Chicago do not object. The other four clubs of the two major leagues have agreed not to enter the market for this particular player."

Yanks Almost Sure of Magee. "The New York American League club has been practically assured that it will get Magee," said the captain. "I am sure we shall land him if those in control of the consolidated clubs in St. Louis and Chicago do not object. The other four clubs of the two major leagues have agreed not to enter the market for this particular player."

President Hempstead of the Giants declared that there was absolutely no ground for the assumption that Harry F. Sinclair was in the market for the New York National. "I was on the train going to Cincinnati with Mr. Sinclair," he said, "but the question of a transfer of Giant interests was not mentioned. I saw nothing of him. I am sure that our chance meetings of the subject did not come up for discussion."

Mr. Hempstead would not discuss the case of Benny Kauff. He said he had talked of sale of the Giants to the Mayor of Havana. He said that the Mayor of Havana has been asked to the president of the Olympic committee asking that the Olympic games be held in Havana in 1920. President Menocal added his endorsement to the Mayor's request.

Havana Is Seeking 1920 Olympic Games

Special Cable Dispatch to The Sun.

HAVANA, Cuba, Dec. 24.—The Mayor of Havana has been asked to the president of the Olympic committee asking that the Olympic games be held in Havana in 1920. President Menocal added his endorsement to the Mayor's request.

Many Collegians Are Among Entrants for Indoor Tennis Tourney.

The draw for the junior national indoor tennis championship, which will start Monday at the Seventh Regiment Armory, was made yesterday by the committee at the armory and contained the names of sixty boys, many of them with brilliant records on the courts. Among the top notch players who will enter the tourney are: Fred Sargent and Edward Lehigh of Yale. Sargent is drawn against M. C. Butler in the first round and should advance without much difficulty. Lehigh is drawn against J. H. Robb, another Yale player.

Shedfield Cowles, the Groton school star, is another strong player who will have to work hard to come through. Cowles is drawn against Elliott Hinz of Fordham and has made a great record for a youngster on the courts. James Webster, captain of the Andover team, is paired with L. J. Weil. The draw is as follows: First Round—L. J. Weil vs. Paul Harvey vs. Morton Weiser vs. W. F. Katz vs. F. Barrett vs. E. D. Cummings vs. Edward Butler vs. M. C. Butler vs. L. H. Hopkins vs. Yale. In the first match this season the English and Scotch teams tied and will play again.

YALE FIVE OUTPLAYS C. C. N. Y. ON COURT

Local Team Trails All the Way and Is Bitten by Score of 30 to 21.

Yale outplayed C. C. N. Y. all the way in a basketball game in the City College gymnasium last night and won, 30 to 21. Shortly after the first whistle each team scored a point from the foul line, but after about five minutes of play Yale made the first field goal and went out ahead.

The lead gradually increased until at the end of the first half the score was 15 to 8 in favor of the visitors. For a while in the second period it seemed as though C. C. N. Y. might catch up, for a fine rally brought the score to 18 to 15 in Yale's favor. It did not remain that way long, for the Yale players got going again and soon had the game safely won.

Kinney and Weiner were the stars of the game and between them scored 28 of Yale's 30 points. Olsen making the other two by a goal from the field. Taft played well at guard, but did not score. In a preliminary game the C. C. N. Y. freshmen beat Flushing High School, 42 to 14. The varsity lineup: C. C. N. Y. Olsen, forward; Taft, guard; Kinney, center; Weiner, guard; Olsen, forward.

LEWIS GAINS QUICK FALL.

Throws Vogel in Short Bout at Manhattan Opera House.

Stranger Lewis gave another exhibition of his prowess as a wrestler at the Manhattan Opera House last night, when he threw his opponent in the international tournament in the first time of 2 minutes 14 seconds. The stranger was drawn against Karl Vogel and active from the moment the men took to the mat. In 2 minutes and 14 seconds Lewis got a waist lock on Vogel that resulted in a quick fall. The Market Marcellus efficiency has been curtailed by recent performances and the best he could do was to wrestle Johnson to a draw. The stranger, who won the match, was between Berner and Tofalos and Dayley and Giardini.

The longest bout of the night that resulted in a decision was between Hevonpa and Muller, and it took the former 12 minutes 10 seconds before he pinned Muller's shoulders to the mat. The quickest bout of the night resulted in favor of Zysko, who tumbled over Pan in 2 minutes 10 seconds. In the other contests Delvik threw Dolm in 2 minutes 10 seconds, and Kuntz downed Metriath in 10 minutes 20 seconds.

Allen Is an Easy Winner.

Marty Allen won an easy victory over Harry Grant in the main bout of East New York Athletic Club last night.
